

Chateau Ridge Grand Opening Weekend starting April 14th

A Grand Opening weekend in Poulsbo, Washington is a chance for potential home buyers to visit Chateau Ridge. This development is the work of Central Highland Builders, the signature builder on the Kitsap Peninsula.

Poulsbo, WA—(March 3, 2012) - - Central Highland Builders are inviting you to make a beautiful drive to an amazing place to see their newest home creations located in Poulsbo, WA. Considered one of the best kept secrets in Washington State, Chateau Ridge has something for everyone. The breathtaking views of the Olympic Mountains await your arrival.

Chateau Ridge, a community of charming craftsman style homes offering several one and two-level floor plans. Homes are Built Green, and include quality features throughout along with Energy Star appliances. These homes are within walking distance to schools, local markets and parks, as well as centrally located to the ever-popular Downtown Poulsbo and marinas. House design and floor plan concepts are efficiently designed to maximize and utilize space.

Central Highland Builders is a local Kitsap home builder that has specialized in designing, developing and building "in-town" residential projects. They have made a great effort to design homes to be attractive, livable and timeless in a development designed to be a community. They have earned a reputation for building homes of outstanding quality that offer one of the best values in the marketplace.

There are 9 floor plans to choose from 900 sq. ft. to over 2,600 sq. ft. Each floor plan is unique and named after a special flower like, The Azalea, The Gardenia, The Madrona, The Poplar and more. Regardless if you like ramblers or two-level homes, there is a lot to choose from with many lots still available to build on. You'll be delighted with the many floor plan options available ranging from 2 to 4 bedrooms with up to 2.5 bathrooms.

Poulsbo is the gateway to the Olympic Peninsula, home of National Parks, rain forests, saltwater estuaries, bald eagles, orcas and other northwest wildlife. Enjoy camping, hiking, sailing, kayaking, biking, shopping and a host of other activities for all ages. Poulsbo is only an hour away from the Olympics and just minutes from the Bainbridge and Kingston ferries. The fun begins at 11 a.m. on April 14th, continuing to 4 p.m.). The Grand Opening will feature food, prizes and model home tours. Come see all that Chateau Ridge has to offer!

###

Central Highland Builders is a local Kitsap home builder that has specialized in designing, developing and building "in-town" residential projects. We have made a great effort to design our homes to be attractive, livable and timeless in a development designed to be a community. We have earned a reputation for

building homes of outstanding quality that offer one of the best values in the marketplace. All of our projects have enjoyed outstanding customer demand and satisfaction. Our last project, Stonecress, achieved one of the fastest sales paces of any project built in Kitsap County in recent years. We, Barry Keenan and I, David Smith, the two principles of Central Highland Builders are "hands-on" every day supervising all aspects of design, land development and home construction. To insure that our home buyer's investment is protected, every home we build is covered by a 2-10 Home Buyers Warranty.
