

Poulsbo Place II, Division 7 Grand Opening Weekend starting March 10th

"Another weekend of Open Houses in Poulsbo WA. Poulsbo Place 2 has the most beautiful views of Liberty Bay and a real sense of community. New homes in Poulsbo have never looked so good!"

Poulsbo, WA—(March 3, 2012) - - Central Highland Builders are inviting you to make a beautiful drive to an amazing place to see their newest home creations located in Poulsbo, WA. Poulsbo Place II, with its "Little Norway" charm, has something for everyone. The breathtaking views of the Olympic Mountains and Liberty Bay await your arrival.

Poulsbo Place II is a community of charming craftsman style homes, offering both one and two-level floor plans. Homes are Built Green; include quality features throughout and Energy Star appliances. These homes are within walking distance to the ever-popular Downtown Poulsbo, marinas, local markets and parks and just minutes from the Bainbridge and Kingston ferries. House design and floor plan concepts are efficiently designed to maximize and utilize space.

Central Highland Builders is a local Kitsap home builder that has specialized in designing, developing and building "in-town" residential neighborhoods. They have made a great effort to design homes to be attractive, livable and timeless in a development designed to be a community. They have earned a reputation for building homes of outstanding quality that offer one of the best values in the marketplace.

There are several floor plans to choose from 900 sq. ft. to over 3000 sq. ft. Each floor plan is unique in design. You'll be delighted with the many floor plan options available ranging from 2 to 3 bedrooms with up to 2.5 bathrooms. Regardless if you like ramblers or two-level homes, there's a floor plan that will fit your lifestyle. Poulsbo is the gateway to the Olympic Peninsula, home of National Parks, rain forests, saltwater estuaries, bald eagles, orcas and other northwest wildlife. Enjoy camping, hiking, sailing, kayaking, biking, shopping and a host of other activities for all ages.

This area is what northwest living is all about! Poulsbo is only an hour away from the Olympics and just minutes from the Bainbridge and Kingston ferries. Visit our newest model, The Camellia. Featuring 3 bedrooms, 2.5 baths, with the Master bedroom and Laundry on the main floor. This makes this home "main floor livable". Also featuring a wonderful large walk out deck to entertain your guests, or just sit back and enjoy the spectacular views of Liberty Bay. Grand Opening begins March 10th from 12pm to 4pm. We'll have food, prizes and model home tours. Come see all that Poulsbo Place II has to offer!
